

Fares

The fares on the Connector Service are the same as the rest of PSTA's local system. Reduced fares are available for qualified riders with proper ID and multi-ride passes, called GO Cards, are also accepted. For detailed fare information, please call the InfoLine or visit PSTA.net where you can also buy tickets online.

Real Time Bus Info

Connector buses might be smaller than our regular fleet of buses, but they're still equipped with all of the technology we use to provide you with Real Time Bus Info. Follow the simple instructions on the Real Time sign at your bus stop, or visit RidePSTA.net, to find out when the next Connector bus will arrive. (Real Time info provided when the bus is up to 30 minutes away.)
