

# ShowMe!

Need to learn how to ride the bus? PSTA has a great program called Show Me that can get you on the road in no time. There are two ways to learn: by phone or with a personal visit from a PSTA representative.

## Personal Visit

If you're the type of person who learns better with hands-on instruction, a personal visit by a PSTA representative may be just the ticket. A rep will meet with you and provide a full set of bus schedules along with a system map and other informational brochures. You'll learn how to use these materials to get around on PSTA, and the rep will take you for a round-trip bus ride to show you how. This service is provided to passengers free of charge. People with disabilities are welcome to use the PSTA Show Me service, provided their disability does not require special assistance or specially trained personnel.

To arrange for a personal Show Me visit, please complete the form below and mail it to Marketing Dept. Show Me Program, 3201 Scherer Drive, St. Petersburg, FL 33716.
