## SECTION 3: GENERAL CONDITIONS

### 3.1 RIGHTS OF PSTA IN INVITATION FOR BID PROCESS

PSTA may investigate the qualifications of any Bidder under consideration. PSTA may require confirmation of information furnished by a Bidder, and require additional evidence of qualifications to perform the Services described in this IFB. In addition to any rights conveyed by Florida law, PSTA specifically reserves the right to:

- Disqualify any Bidder in accordance with Instruction to Bidders
- Reject any or all of the Bids, at its discretion
- Remedy errors in the IFB
- Cancel the entire IFB
- Issue subsequent IFB
- PSTA reserves the right to select the bid that it believes will serve the best interest of PSTA
- Seek the assistance of outside technical experts to review Bids
- Approve or disapprove the use of particular Subcontractors and Suppliers
- Determine whether or not a Bidder is a responsible Bidder
- Reject any part of a bid unless the bid has been qualified as provided
- Negotiate with any, all or none of the Bidders
- Award a contract to one Bidder
- Accept other than the lowest priced Bid
- Request any necessary clarifications or bid data without changing the terms
- Disqualify the Bid(s) upon evidence of collusion with intent to defraud or other illegal practices on the part of the Bidder(s)
- Waive any informalities or irregularities in any Bid, to the extent permitted by law
- Make selection of the Bidder to perform the services required on the basis of the original bids without negotiation

This IFB does not bind or commit PSTA to enter into a Contract with any of the Bidders. In the event PSTA rejects all bids and concurrently provides notice of its intent to reissue, all bids will be exempt from public record production until PSTA issues a notice of intended decision on the reissued invitation for bids.

### 3.2 BID PROTEST PROCEDURES

For projects funded through a Federal grant, the protest procedures found in 49 CFR §18.26(b)(9) will govern the process. For all other projects, the protest procedures below will govern.

- A) Right to Protest – Any interested party, as defined by FTA Circular 4220.1F, Chapter VII, as it may be amended from time to time, who wishes to protest a PSTA decision or intended decision concerning a bid or a contract award, shall file a written Notice of Protest with the CEO of PSTA within seventy-two hours after the posting of the bid tabulation or after the issuance of the notice of PSTA's decision or intended decision and shall file a formal written protest within ten days after the date of the Notice of Protest. The formal written protest shall state with particularity the basis of the protest, including the facts and law upon which the protest is based and providing any

supporting documentation. Failure to file a Notice of Protest or failure to file a formal written protest within the time periods set forth above shall constitute a waiver of protest.

- B) Providing a Bond – Any firm or person who files a protest shall file with PSTA, at the time of filing the formal written protest, a bond payable to PSTA in an amount equal to one percent of the estimate of the total value of the contract or \$5,000, whichever is less. Such bond shall be conditioned upon payment of all costs which may be adjusted against the protestor upon the conclusion of the protest proceedings. If the protest determination is not in favor of the protestor, PSTA shall recover all costs, damages and charges incurred by it during the protest, excluding attorneys' fees. Upon payment of such costs and charges by the person or firm protesting the decision or intended decision, the bond shall be returned.
- C) Consideration of Protest – PSTA's CEO will consider all protests of a PSTA decision or intended decision concerning a bid solicitation or a contract award where the protestor has complied with the requirements of subsections A and B of this section. When the CEO is a member of the committee that makes a recommendation or intended decision, the CEO shall designate a Department Director to consider the protest. The CEO or his/her designee shall not consider any protest presented orally or not presented within the time limits set forth in subsection A. The CEO or his/her designee shall provide the protestor and all other bidders with a written determination of the protest within fifteen (15) days of receiving the formal written protest. The CEO or his/her designee may provide an opportunity to resolve the protest by mutual agreement between the parties within seven days, excluding Saturdays, Sundays and legal holidays, of PSTA's receipt of the formal written protest.
- D) Protest to FTA – Any protestor whose protest has been denied by PSTA's CEO or his/her designee may file a protest with FTA within five days of the date the protestor has received actual or constructive notice of the CEO's or his/her designee's decision. The protestor must comply with FTA's procedures and FTA Circular 4220.1F, Chapter VII. PSTA's CEO or his/her designee shall submit any reports or documents requested by FTA in its consideration of the protest.
- E) Stay of Procurement During Protests – When a protest has been timely filed with PSTA or timely filed with FTA, during the pendency of that protest, PSTA shall not make an award of a contract. PSTA shall comply with all provisions of Chapter VII, if it proceeds to make an award during the pendency of a protest filed with FTA. If PSTA does not make an award while a protest is pending with PSTA, after five days from the date the CEO or his/her designee rendered his decision, the CEO or his/her designee shall confirm with FTA that FTA has not received a protest on the contract in question before PSTA proceeds with making an award or with the procurement if an award already had been made.
- F) Notice to Bidders – Bids with recommendations will be posted on a bulletin board maintained at PSTA's principal place of business for purposes of posting bid tabulations and scores. Upon receipt of a formal written protest, PSTA will give notice of the protest to all bidders, or if the bid already was awarded at the time the protest was filed with PSTA, only to the successful bidder. When a protest results in a delay of an award of the contract pending the disposition of the protest, the bidder(s) whose bids might become eligible for award will be requested, before expiration of the time for acceptance of their bids (with consent of sureties, if any) to extend the time for acceptance so as to avoid the need for re-advertisement and re-submittal.

### **3.3 PRICES, TERMS AND PAYMENT**

Firm prices shall be proposed and must include all ancillary costs as well as the following:

- A) Taxes: PSTA does not pay federal excise and sales taxes or state excise and use taxes on direct purchases.
- B) Discounts: Cash discounts for prompt payment shall not be considered in determining the lowest net cost for bid evaluation purposes.
- C) Mistakes: Bidders are expected to examine the conditions, scope of work, bid prices, extensions, specifications and all instructions pertaining to the invitation for bid. Failure to do so will be at the Bidders risk.
- D) Invoicing and Payment: Invoicing and Payment: Charges rendered by Bidder to PSTA shall be due and payable in accordance with the Florida Prompt Payment Act.

### **3.4 TAX EXEMPTION**

PSTA is exempt from payment of all Federal, State, and local taxes in connection with this Project. Said taxes shall not be included in the bid or bid prices. PSTA will provide necessary tax exemption certificates. PSTA's Tax Identification number is: **#85-8012617996C-4**. This provision does not relieve the Bidder from the responsibility to pay all applicable taxes for goods, services, and labor acquired in the performance of this Project.

### **3.5 QUALIFICATIONS FOR AWARD**

Award of this contract shall be made to the bid which is responsive in all respects to these procurement requirements, and where the Bidder is determined to be a responsible Bidder, a determination that shall be made solely at the discretion of PSTA. The Bidder affirms and declares:

### **3.6 WITHHOLDING AWARD**

This solicitation for bids does not bind or commit PSTA to award a contract, pay any costs incurred in preparation of bid or bids in response to this solicitation, or to procure or contract for goods or services. Bidder shall be responsible for all costs incurred as part of their participation in the pre-award process.

### **3.7 BID ACCEPTANCE, REJECTION, AND POSTPONEMENT**

PSTA reserves the right to postpone, accept, or reject any and all bids in whole or in part, on such basis as PSTA deems to be in its best interest to do so, subject to the rules and regulations set forth by the U.S. Department of Transportation.

Consultants, Subcontractors or Suppliers which do not comply with all requirements associated with the Pre-Qualification Application process may be found non-responsive to these IFB Documents.

Any person, firm, corporation, joint venture/partnership, or other interested party that has been compensated by PSTA or a consultant engaged by PSTA for assistance in preparing the IFB Documents and/or estimate shall be considered to have gained an unfair competitive advantage in proposing and shall be precluded from submitting a Bid in response to the IFB.

Any person, firm, corporation, joint venture/partnership, or other interested party that has continued discussions regarding this IFB with PSTA or consultant staff other than the Contract Administrator (with the exception of the Contract Compliance Office regarding DBE informational requests or informational requests on the Lobbying Program) after the IFB is issued may be considered to have gained an unfair competitive advantage in bidding and may be precluded from submitting a Bid in response to the IFB.

### **3.8 USE OF "PINELLAS SUNCOAST TRANSIT AUTHORITY" NAME IN CONTRACTOR ADVERTISING OR PUBLIC RELATIONS**

PSTA reserves the right to review and approve any advertising copy related to this Project in any way prior to publication. The successful Bidder will not allow such copy to be published in their advertisements or public relations programs until submitting such copy and receiving prior written approval from PSTA. The successful Bidder agrees that published information relating to this Project will be factual and in no way imply that PSTA endorses the successful Bidders firm, service or product. In submitting a bid, the Bidder agrees not to use the results there from as a part of any commercial advertising.

### **3.9 USDOT/FTA/FDOT CONCURRENCE FOR CONTRACT AWARD**

The award of a contract for this Project may be subject to review and concurrence by the U.S. Department of Transportation, Federal Transit Administration and/or the Florida Department of Transportation.

### **3.10 DEBARMENT AND SUSPENSION**

Bidders shall complete and submit as part of their bid, the Certification of Primary Contractor Regarding Debarment, Suspension, and Other Responsibility Matters for all projects when the total aggregate value of the contract exceeds \$100,000. The Bidder shall also submit a list of subcontracts and subcontractors that will have a financial interest in this Project that exceeds \$25,000 or will have a critical influence on or a substantive control over the Project. A Certification of Lower-Tier Participants Regarding Debarment, Suspension, and Other Ineligibility and Voluntary Exclusions shall be submitted by the Bidder to PSTA for each listed subcontractor prior to contract award.

This contract is a covered transaction for purposes of 49 CFR Part 29. As such, the Contractor is required to verify that none of the Contractor, its principals, as defined at 49 CFR 29.995, or affiliates, as defined at 49 CFR 29.905, are excluded or disqualified as defined at 49 CFR 29.940 and 29.945. The Contractor is required to comply with 49 CFR 29, Subpart C and must include the requirement to comply with 49 CFR 29, Subpart C in any lower tier covered transaction it enters into. By signing and submitting its bid, the Bidder certifies as follows: The certification in this clause is a material representation of fact relied upon by PSTA. If it is later determined that the Bidder knowingly rendered an erroneous certification, in addition to remedies available to PSTA, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The Bidder agrees to comply with the requirements of 49 CFR 29, Subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The Bidder further agrees to include a provision requiring such compliance in its lower tier covered transactions.

During the term of the Contract the successful Bidder will be required to immediately notify PSTA of 1) any potential subcontractor that is subject to this provision and to submit the appropriate certification prior to award of a subcontract; 2) any information that its certification or certification of its subcontractors was erroneous when submitted; and 3) any information that certifications have become erroneous by reason of changed circumstances.

### **3.11 DISADVANTAGED BUSINESS ENTERPRISES (DBE) PARTICIPATION**

In connection with the performance of this Contract, the successful Bidder agrees to cooperate with PSTA in meeting its commitments and goals with regard to maximum utilization of DBE. The policy and obligations for maximum utilization of DBE's are herein set forth:

- A) Policy: It is the policy of the Department of Transportation that Disadvantaged Business Enterprises, as defined in 49 CFR, Part 23, shall have the maximum opportunity to participate in the performance of contracts financed in whole or apart with Federal funds under this Agreement. Consequently, the DBE requirements of 49 CFR, Part 23 apply to this Agreement.
- B) DBE Obligation: PSTA and Bidder agrees to ensure that Disadvantaged Business Enterprises, as defined in 49 CFR, Part 23, have the maximum opportunity to participate in the performance of contracts and subcontracts financed in whole or in part with Federal funds provided under this Agreement. In this regard, PSTA or its consultants shall take all necessary and reasonable steps in accordance with 49 CF, Part 23, to ensure that Disadvantaged Business Enterprises have the maximum opportunity to compete for and to perform contracts. PSTA and its consultants shall not discriminate on the basis of race, color, national origin, or sex in the award and performance of DOT-assisted contracts.

Requirements and goals for DBE participation in this Project are as follows:

While there is no minimum percentage goal established, firms are encouraged to utilize certified DBEs and compliance with the goal may be fulfilled by DBE's performing as either:

- A) A member of a joint venture as a prime consultant;
- B) An approved subcontractor;
- C) An owner-operator of equipment;
- D) A renter of equipment to a prime consultant;
- E) A firm manufacturing and supplying goods used in the project;
- F) A firm supplying goods used in the project (when supplying goods, only 60 percent will be counted).

If no DBE utilization is proposed, the Bidder must demonstrate that sufficient good faith efforts were made to meet the DBE contract goals and shall document the steps he has taken to obtain DBE participation.

Bidder's good faith efforts will include the following actions.

- A) Soliciting through all reasonable and available means the interest of all certified DBE's who have the capability to perform work under the contract. This shall include attendance at pre-bid meetings, advertising and/or written notices. The Bidder shall allow sufficient time to allow the DBE's to respond to the solicitation.
- B) Selecting portions of the work to be performed by DBE's.
- C) Providing interested DBE's with adequate information about the plans, specifications, and requirements of the contract in a timely manner to assist them in responding to a solicitation.

- D) Negotiations in good faith with interested DBE's. It will be the responsibility of the Bidder to make a portion of the work available to DBE subcontractors and suppliers and to select those portions of the work or materials consistent with the available DBE's. Evidence of negotiations shall include the names, addresses, and telephone numbers of DBE's that were considered and a description of the information provided regarding the plans and specifications for the work selected for subcontractors, and evidence as to why additional agreements could not be reached for DBE's to perform the work.
- E) Not rejecting DBE's as being unqualified without sound reasons based on a thorough investigation of their capabilities.
- F) Efforts to assist interested DBE's in obtaining bonding, lines of credit, or insurance as required.
- G) Efforts to assist interested DBE's in obtaining necessary equipment, supplies, materials, or related assistance or services.
- H) Use of services of available minority/women community organizations; minority/women contractors' groups; local, state, and federal minority/women business assistance offices; and other organizations that provide assistance in the recruitment and placement of DBE's.

**The Bidder agrees not to terminate for convenience a DBE subcontractor, and then perform the work of the terminated subcontract with its own forces or those of an affiliate, without PSTA's prior written consent. When a DBE subcontractor is terminated, or fails to complete its work on the contract for any reason.**

### **3.12 EXCLUSIONARY OR DISCRIMINATORY SPECIFICATIONS**

PSTA agrees that it will comply with the requirements of 49 U.S.C. Section 5323(h)(2) by refraining from using any federal assistance awarded by the Federal Transit Administration to support procurements using exclusionary or discriminatory specifications. PSTA further agrees to refrain from using state or local geographic preferences, except those expressly mandated or encouraged by federal statute.

### **3.13 FEDERAL LOBBYING CERTIFICATION**

Per 49 CFR Part 20, Bidders shall complete and submit as part of their bid the Certification of Restrictions on Lobbying for all projects when the total aggregate value of the contract exceeds \$100,000. The Bidder shall also submit a list of subcontracts and subcontractors that will exceed \$100,000. A Certification of Restrictions on Lobbying shall be submitted by the Bidder to PSTA for each listed subcontractor prior to contract award.

### **3.14 LOBBYING**

Lobbying of any PSTA board member, officer, evaluation/selection committee member, employee, agent or attorney by a bidder, any member of the bidder's staff, any agent or representative of the bidder, whether compensated or not, or any person employed by any legal entity affiliated with or representing the bidder shall be prohibited on all competitive selection processes and contract awards, including but not limited to requests for bids, requests for quotations, requests for qualification, invitation for bids, bids or the award of purchasing contracts of any type. Lobbying is strictly prohibited from the date of the advertisement or on a date otherwise established by the Pinellas Suncoast Transit Authority Board of Directors, until either an award is final, any protest is finally resolved, or the competitive selection process is otherwise concluded.

The purposes of this prohibition is to protect the integrity of the procurement process by shielding it from undue influences prior to the contract award, a protest is resolved, or the competitive selection process is otherwise concluded. Nothing herein shall prohibit a bidder from contacting the purchasing division or PSTA's general counsel to address situations such as clarification and/or questions related to the procurement process or protest.

For the purposes of this Paragraph, lobbying shall mean influencing or attempting to influence action or non-action, and/or attempting to obtain the goodwill of persons specified herein relating to the selection, ranking, or contract award in connection with the bidding process through direct or indirect oral or written

communication. Lobbying includes such actions whether performed by the bidder itself, any employee of the bidder, the bidder's attorney, agent or other paid or non-paid representative, or any person who performs such actions of behalf or at the behest of the bidder. Further, lobbying includes the attempt to influence Board members while they are performing their functions for other governmental entities (e.g.) a city or Pinellas County). The final award of the contract shall be the effective date of the contract.

Any board member, officer, evaluation/selection committee member, employee, agent or attorney who has been lobbied shall immediately report the lobbying activity to the Chief Executive Officer.

### **3.15 COLLUSION**

Each Bidder must submit the Non-Collusion Affidavit form. Bidder certifies that its bid is made without previous understanding, agreement, or connections with any person, firm, or corporation making a bid for the same items and is in all respects fair, without outside control, collusion, fraud, or otherwise illegal action.

### **3.16 LEGAL REQUIREMENTS**

Federal, state, county and local laws and ordinances, rules and regulations shall govern submittal and evaluation of bids received and shall govern claims and disputes between Bidder(s) and PSTA by and through its officers, employees, authorized representatives, or any person, natural or otherwise. Lack of knowledge by Bidder is not a cognizable defense against legal effects.

### **3.17 EXCEPTIONS**

Bidder is advised that if it wishes to take exception to any of the terms contained in this IFB, it must identify the term and the exception in its response to the procurement. Failure to do so may lead PSTA to declare any such term non-negotiable. Bidder's desire to take exception to a non-negotiable term will not disqualify it from consideration for award.

### **3.18 PUBLIC ENTITY CRIMES**

A person or affiliate who has been placed on the convicted vendor list following a conviction for public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids of a public building or public work, may not submit bids on leases of real property to public entity, may not be awarded or perform work as a Contractor, Supplier, Subcontractor, or Consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.133, Florida Statutes, for Category two for a period of thirty-six (36) months from the date of being placed on the convicted vendor list. PSTA may make inquiries regarding alleged convictions of public entity crimes. The unreasonable failure of a Bidder to promptly supply information in connection with an inquiry may be grounds for rejection of a bid. Additionally, a conviction of a public entity crime may cause the rejection of a bid.

### **3.19 "OR EQUAL" DETERMINATION**

Where proposing other than specified, the determination of equivalency will be at the sole discretion of PSTA. Bidder shall, as to each item, propose upon the specified products or upon an alternate product which is "equal" as defined herein. The offer of an alternate product for any item shall, for the purpose of evaluation of bids, be construed as a refusal to propose upon the product specified. Only one alternate product for each item shall be submitted. In the event an alternate product is submitted for any item, the Bidder shall cross out the product specified and type or print the word "ALTERNATE" (failure to do so shall be construed as a bid upon the product specified) and insert the unit price and the extension or total (unit price multiplied by the number of units) in the columns provided therefore in the same manner as if proposing upon the specified product. In the event any alternate product is submitted the Bidder shall state on additional attached sheets, the precise specifications of the alternate and all of the differences in specifications between the specified product and the alternate products and sketches or blueprints to scale sufficiently accurate, complete, and detailed as to enable PSTA to make a complete determination of the quality of the alternate. Failure to submit

this information in full will constitute basis for determination by PSTA that the alternate submitted is not equal to the product specified as a standard.

**3.20 MATERIAL SAFETY DATA SHEETS**

In complying with Florida's "Right to Know" Law, PSTA requires the Bidder submit Material Safety Data Sheets on any hazardous chemical or substances supplied. Failure to supply MSDS's sheets may result in bid disqualification.

**NOTE: ANY AND ALL SPECIAL CONDITIONS AND SPECIFICATIONS ATTACHED HERETO WHICH VARY FROM THESE GENERAL CONDITIONS SHALL HAVE PRECEDENCE.**

**3.21 CONTRACT**

Upon award, Bidder agrees to enter into and execute the contract set forth in Section 4.

- 5. TERMS OF PERFORMANCE.**

*5.01 Time for Completion.* Contractor shall commence work on the Project immediately upon receipt of a Purchase Order (PO) from its Purchasing Department and will provide to the Authority the contracted item within ten (10) days.

5.02 *Representatives.* Prior to the start of any work on the Project, Contractor shall designate a primary and alternate representative, who will have management responsibility for the Project and who have authority to act on technical matters and resolve problems with the Project and the Contract Documents, to PSTA in writing. Such designation shall include the contact information (including phone numbers) of Contractor's representative. PSTA will advise Contractor in writing of the personnel who will represent PSTA in the administration of the Contract Documents.

5.03 *Non-exclusive Contract.* PSTA specifically reserves the right to contract with other entities for the services described in the Contract Documents or for similar services if it deems, in its sole discretion, such action to be in PSTA's best interest.

5.04 *Status Reports:* Contractor shall submit [monthly/quarterly/annually] written status reports to PSTA outlining the status of the Project to date throughout the term of this Agreement. Each status report shall be a concise narrative description of activities to date and planned activities until the next status report. A final report, one (1) original and two copies, shall be submitted by Contractor upon completion of the Project.

5.05 *Reviews:* Until the completion of the Project and the final payment therefore by PSTA, Contractor shall allow representatives of PSTA to visit the offices and other places of Contractor's work periodically without prior notice to monitor Contractor's work completed or progress on the Project. The Parties agree that if either party deems it advisable to hold either a conference or any inspection of work in progress, all parties will be notified and may participate.

5.06 *Contractor Responsibility:* Contractor shall provide services of first quality, and the workmanship must be in accordance with customary standards of the various trades and industries involved in the Project. The Project and the services associated therewith shall be high-quality in all respects. No advantage will be taken by Contractor in the omission of any part or detail of the Project. Contractor hereby assumes responsibility for all materials, equipment, and processes used in the Project, whether the same is manufactured by Contractor or purchased readymade from a source outside Contractor's company.

5.07 *Compliance with Laws.* Contractor shall be solely responsible for compliance with all federal, state, county, and local laws, rules and/or regulations, and lawful orders of public authorities including those set forth in this Agreement and that, in any manner, could bear on the provision of the Project and Contractor's services under the Contract Documents including, but not limited to all rules and regulations related to safety and compliance therewith. PSTA and PSTA's Project Manager will communicate directly with the Contractor's project superintendent and shall have no authority to direct, oversee, or instruct the Contractor's employees, subcontractors, or materialmen, or any other individuals performing work on the Project. Omission of any applicable laws, ordinances, rules, regulations, standards or orders by PSTA in the Contract Documents shall be construed as an oversight and shall not relieve Contractor of its obligations to comply with such laws fully and completely. Upon request, Contractor shall furnish to PSTA certificates of compliance with all such laws, orders and regulations. Contractor shall be responsible for obtaining all necessary permits and licenses required for performance under the contract and completion of the Project.

6. **COMPENSATION.** In consideration of Contractor's faithful performance of the Contract Documents, PSTA agrees to pay Contractor in accordance with the amounts bid and set forth in Exhibit B. However, all payments to Contractor individually and in the aggregate shall not exceed the Contract Total. Payment shall be made only for work which is actually performed and approved by PSTA. Contractor shall submit invoices to PSTA no later than the fifteenth (15) day of the month immediately following the month in which the work or services were completed. PSTA will make payment in accordance with the Florida Prompt Payment Act.

6.01 *Invoices.* All invoices shall be submitted in accordance with the Florida Prompt Payment Act with all details prescribed by PSTA, and delivered to the following address:

Pinellas Suncoast Transit Authority  
Attention: Finance Department/Accounts Payable  
Purchase Order #: \_\_\_\_\_  
3201 Scherer Drive  
St. Petersburg, Florida 33716

Or via E-Mail : [Accountspayable@psta.net](mailto:Accountspayable@psta.net)

6.02 *Payment Due Date.* Payment due date is calculated from time PSTA Accounts Payable Accountant has received and accepted the invoice per 218.73. Payment due date for purchase of goods or services other than construction services is 45 days from the accepted date, 218.74. Invoices must have the PSTA Purchase Order Number on them in order to be considered a proper invoice.

6.03 *Disputed Invoices.* In the event of a disputed invoice, only that portion so contested will be withheld from payment and the undisputed portion will be paid.

6.04 *Subcontractor Payments.* In accordance with 49 CFR Part 26.29, Contractor shall pay each subcontractor or subcontractor for satisfactory performance of its contract with the subcontractor or subcontractor no later than thirty (30) days from the receipt of each payment Contractor receives from PSTA. Contractor shall further return retainage payments to each subcontractor or subcontractor within thirty (30) days after the subcontractor's or subcontractor's work is satisfactorily completed. Contractor shall include as part of its contract or agreement with each subcontractor or subcontractor for work and material a "Prompt Payment Clause". The Prompt Payment Clause shall require payment to all subcontractors and subcontractors, not only DBEs, for all labor and material for work completed within thirty (30) days of receipt of progress payments from PSTA for said work. The Prompt Payment Clause shall further stipulate the return of retainage within 30 days after the subcontractor or subcontractor achieves the specified work as verified by payment from PSTA.

6.05 *Disputes with Subcontractor Payments.* Any disputes that arise regarding the satisfactory completion of work by a subcontractor or subcontractor may be brought to the attention of PSTA, who will make a determination. Any delay or postponement of payment from the above-referenced time frame may occur only for good cause following written approval from PSTA. This clause applies to both DBE and non-DBE subcontractors.

6.06 *Failure to Abide by DBE Requirements.* Failure by Contractor to carry out the requirements of PSTA's DBE Program and the requirements of 49 CFR Part 26, and/or timely return of retainage, without just cause, is a material breach of this Agreement, which may result in PSTA withholding payment from Contractor until all delinquent payments have been made (no interest will be paid for the period that payment was withheld), termination of this Agreement, or other such remedy as PSTA deems appropriate.

**7. MODIFICATION OF CONTRACT DOCUMENTS.** The Contract Documents, including the scope, specification, and details of the Project may only be modified by written agreement of the Parties.

7.01 *Written Change Orders within the Project.* Notwithstanding Section 7.01, above, PSTA may at any time, by written order, make changes within the scope of the work to be performed by Contractor under the Contract Documents. However, no such written order shall serve to increase the Contract Total or give Contractor any claim for monies in addition to the Contract Total. If any such change causes an increase or decrease in the estimated cost of, or the time required for, the performance of any part of

the work under the Contract Documents, whether or not changed by the order, Contractor shall notify PSTA within thirty (30) days in writing. In the case of an increase to the Contract Total, the written notice shall state in all capital, bold letters that PSTA's written order would result in an increase in the Contract Total. Such notice must be submitted and approved prior to performing any work in accordance with the written order or changes made by PSTA. Upon receipt of such notice, PSTA will endeavor to make such adjustments as are appropriate and equitable and the Parties may modify this Agreement in writing. Failure to agree to any adjustment shall be a dispute within the meaning of Section 12 - Disputes, Breaches, Defaults, or other Litigation.

7.02 *No Stoppage of Work.* Notwithstanding the foregoing, nothing in this clause shall excuse Contractor from proceeding with the Agreement as changed except for those changes which would increase the Contract Total.

7.03 *No Increase in Costs.* No services for which an additional cost or fee will be charged by Contractor shall be furnished without the prior express written authorization of PSTA.

## **8. WARRANTIES AND COVENANTS**

8.01 *Patent, Trademark, Copyright, and Trade Secret.* Contractor warrants that the Project, and all goods and services associated therewith do not infringe on any patent, trademark, copyright or trade secret of any third parties and agrees to defend, indemnify and hold PSTA, its officers, agents, employees, trustees and its successors and assigns, harmless from and against any and all liabilities, loss, damage or expense, including, without limitation, court costs and reasonable attorneys' fees, arising out of any infringement or claims of infringement of any patent, trade name, trademark, copyright or trade secret by reason of the sale or use of any goods or services purchased under this Agreement. PSTA shall promptly notify Contractor of any such claim. PSTA makes no warranty that the production, sale or use of goods or services under this Agreement will not give rise to any such claim and PSTA shall not be liable to Contractor for any such claim brought against Contractor.

8.02 *Covenants against Gratuities.* Contractor warrants that he or she has not offered or given gratuities (in the form of entertainment, gifts, or otherwise) to any official or employee of PSTA with a view toward securing favorable treatment in the awarding, amending, or evaluating performance under this Agreement.

## **9. ASSIGNABILITY AND SUBCONTRACTING**

The terms and provisions of the Contract Documents shall be binding upon PSTA and Contractor their respective partners, successors, heirs, executors, administrators, assigns and legal representatives.

9.01 *Written Approval Required.* The rights and obligations of Contractor may not be transferred, assigned, sublet, mortgaged, pledged or otherwise disposed of or encumbered in any way without PSTA's prior written consent. Contractor may subcontract a portion of its obligations to other firms or parties but only after having first obtained the written approval of the subcontractor by PSTA.

9.02 *Responsibility for Subcontractors.* If Contractor's assignee or subcontractor fails to perform in accordance with the terms of its assignment or subcontract, Contractor shall complete or pay to have completed the work which the assignee or Subcontractor failed to complete at no additional cost to PSTA. In the event of any noncompliance by any of the subcontractors, Contractor shall be directly and wholly responsible for the noncompliance and shall bear all attributable costs.

9.03 *Assignment by PSTA.* PSTA may assign its rights and obligations under the Contract Documents to any successor to the rights and functions of PSTA or to any governmental agency to the extent required by applicable laws or governmental regulations or to the extent PSTA deems necessary or advisable under the circumstances.

9.04 *E-Verify.* Contractor shall utilize the U.S. Department of Homeland Security's E-Verify System to verify the employment eligibility of: (a) all persons employed by Contractor throughout the term of this Agreement; and (b) all persons, including subcontractors, retained or hired by Contractor, regardless of compensation, to perform work on the services provided pursuant to the Contract Documents.

9.05 *Provision for Other Governmental Entities.* Unless otherwise stipulated by Contractor and PSTA in writing, Contractor agrees to make available to all government agencies, entities, departments, authorities, political subdivisions, counties, local school boards, special districts, transit authorities, municipalities, or other governmental agencies or authorities, the bid prices submitted on the same terms and conditions herein, should any said governmental entity desire to buy under this Agreement.

## **10. DELAY IN PERFORMANCE/FORCE MAJEURE**

10.01 *Time of the Essence.* The timely receipt of services and deliveries to PSTA is essential. If the Project and all deliverables are not received on time, PSTA may cancel the unfilled portion of this Agreement for cause, purchase substitute requirements elsewhere, and recover from Contractor any increased costs and damages thereby incurred by PSTA.

10.04 *Force Majeure.* Contractor shall be entitled to a reasonable extension of time from PSTA for the delays resulting from damage to Contractor's and/or PSTA's property caused by fire, lightning, earthquakes, tornadoes, and other extreme weather conditions, power failures, riots, acts of war, strikes or lockouts beyond the control of Contractor and its subcontractors ("Force Majeure"). Any delay other than one mentioned above shall constitute a breach of Contractor's obligations under the Contract Documents.

10.05 *Unavoidable Delay.* If delivery of the Project, and all deliverables thereunder, is unavoidably delayed, PSTA may extend the time for completion for a determined number of days of excusable delay. A delay is unavoidable only if the delay was not reasonably expected to occur in connection with or during Contractor's performance; was not caused directly or substantially by negligent errors, omissions, or mistakes of Contractor, its subcontractors, or its suppliers or their agents; was substantial; and, in fact, caused Contractor to miss delivery dates and could not adequately have been guarded against by contractual or legal means.

10.06 *No Damages for Delay.* Contractor shall not be entitled to any claim for damages on account of hindrances or delays in the work from any cause whatsoever, including any delays or hindrances caused by PSTA. This paragraph shall include, but not be limited to, any actions which result in delays in scheduling, substantial changes in scope of the Project or substantial increases in the costs of performing the work under the Contract Documents.

10.07 *Notification.* Contractor will notify PSTA as soon as Contractor has, or should have, knowledge that an event has occurred which will delay completion of the Project. Within five (5) working days, Contractor will confirm such notice in writing, furnishing as much detail as is available and including any request for extension of time. Contractor shall supply, as soon as such data is available, any reasonable proofs that are required by PSTA to make a decision on any request for extension. PSTA will examine the request and any documents supplied by Contractor and will determine if Contractor is entitled to an extension and the duration of such extension. PSTA will notify Contractor of its decision in writing. It is expressly understood and agreed that Contractor will not be entitled to any extension and the granting of such extension is in the sole discretion of PSTA. It is further expressly understood that Contractor shall not be entitled to any damages or compensation, and will not be reimbursed for any losses, on account of delays resulting from any cause.

## **11. TERMINATION OF AGREEMENT**

This Agreement may be terminated with or without cause in accordance with the provisions below.

**11.01 Without Cause.** For and in consideration of \$10.00, if PSTA determines that it is in its best interest to do so, PSTA may terminate this Agreement without cause upon thirty (30) days' written notice to Contractor. If PSTA terminates this Agreement pursuant to this subsection, Contractor shall promptly submit to PSTA its costs to be paid on work performed up to the time of termination. If Contractor has any property belonging to PSTA in its possession, Contractor shall account for the same and dispose of it as directed by PSTA.

**11.02 With Cause.** PSTA may terminate this Agreement with cause at any time immediately upon written notice to Contractor, if: (1) Contractor fails to fulfill or abide by any of the terms or conditions specified in the Contract Documents; (2) Contractor fails to perform in the manner called for in the Contract Documents; or (3) Contractor does not provide services in accordance with the requirements of the specifications in the Contract Documents. In its sole discretion, PSTA may allow Contractor an appropriately short period of time in which to cure a defect in performance or non-performance. In such case, PSTA's written notice of termination to Contractor shall state the time period in which cure is permitted and other appropriate conditions, if applicable. Contractor may terminate this Agreement for cause if PSTA fails to fulfill or abide by any duties or conditions specified in the Contract Documents, provided that Contractor must first provide notice of the alleged breach to PSTA and give PSTA thirty (30) days written notice to cure the alleged breach. If PSTA cures the alleged breach or is making a good faith effort to cure said breach during the thirty (30) day cure period, Contractor may not terminate this Agreement.

**11.03 Reprocurement.** Should this Agreement be terminated by PSTA for cause under this Section, Contractor shall be liable for all expenses incurred by PSTA in reprocuring elsewhere the same or similar items or services offered by Contractor.

**11.04 Force Majeure.** If it is later determined by PSTA that Contractor's failure to perform was a result of a Force Majeure, PSTA may allow Contractor to continue performance under a new time for performance or treat the termination as if terminated without cause under Section 13(a) of this Agreement.

**11.05 Appropriation.** In the event PSTA, in its sole discretion, determines that sufficient budgeted funds are not available to appropriate for payments due to Contractor under this Agreement, PSTA shall notify Contractor of such occurrence and this Agreement shall terminate on the last day of the current fiscal period without any penalty or expense to PSTA.

**11.06 Waiver of Remedies for any Breach.** In the event that PSTA elects to waive its remedies for any breach by Contractor of any covenant, term or condition of this Agreement, such waiver by PSTA shall only be valid if set forth in writing and shall not limit PSTA's remedies for any succeeding breach of that or of any other term, covenant, or condition of this Agreement.

## **12. DISPUTES, BREACHES, DEFAULTS, OR OTHER LITIGATION**

**12.01 Disputes.** Disputes raised by Contractor, which are not resolved amicably by the Parties, shall be decided in writing by PSTA's Project Manager. If Contractor disagrees with the decision of PSTA's Project Manager, within ten (10) days from the date of PSTA's Project Manager's decision, Contractor shall furnish a written appeal to PSTA's Chief Executive Officer. In connection with any such appeal, Contractor shall be afforded an opportunity to be heard and to offer evidence in support of its position. The decision of PSTA's Chief Executive Officer shall be binding upon Contractor and Contractor shall abide by the decision.

**12.02** *Performance during Dispute.* Unless otherwise directed by PSTA, Contractor shall continue performance under this Agreement while matters in dispute are being resolved.

**12.03** *Claims for Damages:* Should either party suffer injury or damage to person or property because of any act or omission of the party or of any of its employees, agents or others for whose acts it is legally liable, a claim for damages therefore shall be made in writing to such other party within ten (10) days after the first observance of such injury or damage.

**12.04** *Rights and Remedies:* The duties and obligations imposed by the Contract Documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by PSTA or Contractor shall constitute a waiver of any right or duty afforded any of them under this Agreement, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

**12.05** *Attorneys' Fees.* In the event of legal action or other proceeding arising under this Agreement, PSTA shall be entitled to recover from Contractor all its reasonable attorneys' fees and cost incurred by PSTA in the prosecution or defense of such action, or in any post-judgment or collection proceedings and whether incurred before suit, at the trial level or at the appellate level. This shall include any bankruptcy proceedings filed by or against Contractor. PSTA also shall be entitled to recover any reasonable attorneys' fees and costs incurred in litigating the entitlement to attorneys' fees and costs, as well as in determining the amount of attorneys' fees and costs due to PSTA. The reasonable costs to which PSTA will be entitled include costs that are taxable under any applicable statute, rule, or guideline, as well as costs of investigation, copying costs, electronic discovery costs, mailing and delivery charges, costs of conducting legal research, consultant and expert witness fees, travel expenses, court reporter fees and mediator fees, regardless of whether such costs are taxable under any applicable statute, rule or guideline.

**13.01** *Indemnification.* The parties recognize that Contractor is an independent contractor. Contractor agrees to assume liability for and indemnify, hold harmless, and defend PSTA, its board members, officers, employees, agents and attorneys of, from, and against all liability and expense, including reasonable attorneys' fees, in connection with any and all claims, demands, damages, actions, causes of action, and suits in equity of whatever kind or nature, including claims for personal injury, property damage, equitable relief, or loss of use, arising out of the execution, performance, nonperformance, or enforcement of this Agreement, whether or not due to or caused by the negligence of PSTA, its board members, officers, employees, agents, and/or attorneys excluding only the sole negligence of PSTA, its officers, employees, agents, and attorneys. This includes claims made by the employees of Contractor against PSTA, and Contractor hereby waives its entitlement, if any, to immunity under Section 440.11, Florida Statutes. Contractor's liability hereunder shall include all attorneys' fees and costs incurred by PSTA in the enforcement of this indemnification provision. Notwithstanding anything contained herein to the contrary, this indemnification provision shall not be construed as a waiver of any immunity from or limitation of liability to which PSTA is entitled to pursuant to the doctrine of sovereign immunity or Section 768.28, Florida Statutes. The obligations contained in this provision shall survive termination of this Agreement, however terminated, and shall not be limited by the amount of any insurance required to be obtained or maintained under this Agreement.

**13.02** *Control of Defense.* Subject to the limitations set forth in this provision, Contractor shall assume control of the defense of any claim asserted by a third party against PSTA arising from or in any way related to this Agreement and, in connection with such defenses, shall appoint lead counsel, in each case at Contractor's expense. Contractor shall have the right, at its option, to participate in the defense

of any third party claim, without relieving Contractor of any of its obligations hereunder. If Contractor assumes control of the defense of any third party claim in accordance with this paragraph, Contractor shall obtain the prior written consent of PSTA before entering into any settlement of such claim. Notwithstanding anything to the contrary in this provision, Contractor shall not assume or maintain control of the defense of any third party claim, but shall pay the fees of counsel retained by PSTA and all expenses including experts' fees, if (i) an adverse determination with respect to the third party claim would, in the good faith judgment of PSTA, be detrimental in any material respect of PSTA's reputation; (ii) the third party claim seeks an injunction or equitable relief against PSTA; or (iii) Contractor has failed or is failing to prosecute or defend vigorously the third party claim. Each party shall cooperate, and cause its agents to cooperate, in the defense or prosecution of any third party claim and shall furnish or cause to be furnished such records and information, and attend such conferences, discovery proceedings, hearings, trials, or appeals, as may be reasonably requested in connection therewith.

Contractor's failure to so comply shall constitute a material breach of this Agreement.

*15.17 Incorporation of FTA Terms.* The preceding provisions include, in part, certain standard terms and conditions required by DOT, whether or not expressly set forth in the preceding contract provisions. All contractual provisions required by DOT, as set forth in FTA Circular 4220.1F, dated November 1, 2008, (also see Change 1) are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Agreement. Contractor shall not perform any act, fail to perform any act, or refuse to comply with any PSTA requests which would cause PSTA to be in violation of the FTA terms and conditions.

*15.18 Notification of Federal Participation.* In the announcement of any third party contract award for goods or services (including construction services) having an aggregate value of \$500,000 or more, the Contractor agrees to specify the amount of Federal assistance to be used in financing that acquisition of goods and services and to express the amount of that Federal assistance as a percentage of the total cost of that third party contract.

15.19 *Contract Work Hours and Safety Standards Act.*

- a. *Overtime Requirements* – No Contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.
- b. *Violation; Liability for Unpaid Wages; Liquidated Damages* – In the event of any violation of the clause set forth in paragraph (1) of this section the Contractor and any subcontractor responsible therefore shall be liable for the unpaid wages. In addition, such Contractor and subcontractor shall be liable to the United States for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.
- c. *Withholding for Unpaid Wages and Liquidated Damages* – PSTA shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the Contractor or subcontractor under any such contract or any other Federal contract with the same prime Contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime Contractor, such sums as may be determined to be necessary to satisfy any liabilities of such Contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.
- d. *Subcontracts* – The Contractor or subcontractor shall insert in any subcontracts the clauses set forth in the section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime Contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in this section
- e. *Payrolls and Basic Records* – (i) Payrolls and basic records relating thereto shall be maintained by the Contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 29 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the Contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration

of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

*Section 107 (OSHA):*

6) *Contract Work Hours and Safety Standards Act* – (i) The Contractor agrees to comply with section 107 of the Contract Work Hours and Safety Standards Act, 40 U.S.C. section 333, and applicable DOL regulations, “Safety and Health Regulations for Construction” 29 CFR Part 1926. Among other things, the Contractor agrees that it will not require any laborer or mechanic to work in unsanitary, hazardous, or dangerous surroundings or working conditions.

(ii) *Subcontractors* – The Contractor also agrees to include the requirements of this section in each subcontract. The term “subcontract” under this section is considered to refer to a person who agrees to perform any part of the labor or material requirements of a contract for construction, alteration or repair. A person who undertakes to perform a portion of a contract involving the furnishing of supplies or materials will be considered a “subcontractor” under this section if the work in question involves the performance of construction work and is to be performed: (1) directly on or near the construction site, or (2) by the employer for the specific project on a customized basis. Thus, a supplier of materials which will become an integral part of the construction is a “subcontractor” if the supplier fabricates or assembles the goods or materials in question specifically for the construction project and the work involved may be said to be construction activity. If the goods or materials in question are ordinarily sold to other customers from regular inventory, the supplier is not a “subcontractor.” The requirements of this section do not apply to contracts or subcontracts for the purchase of supplies or materials or articles normally available on the open market.

## **16. MISCELLANEOUS PROVISIONS**

All Public Records stored electronically

**DRUG FREE WORKPLACE PROGRAM**  
(Required with bid submittal)

Equal preference shall be given to vendors submitting a certification with their offer certifying they have a drug-free workplace in accordance with Section 287.087, Florida Statutes.

IDENTICAL OFFER - Whenever two or more offers which are equal with respect to quality, price, and service are received, an offer received from a business certifying it has implemented a Drug-Free Workplace policy shall be given preference. Established procedures for processing tie offers will be followed if none of the tied vendors have a program in place. In order to have a Drug-Free Workplace Program, a business shall:

1. Publish a statement notifying employees that the unlawful manufacturer, distribution, dispensing possession, or use of a controlled substance is prohibited in the Workplace and specifying the actions that will be taken against employees for violations of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for violations.
3. Give each employee engaged in providing the commodities or contractual services that are under the offer a copy of the statement specified in subsection (1).
4. In the statement in subsection (1), notify employees that, as a condition of working on the commodities or contractual services that are under the offer, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893, or of any controlled substance law of the US or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
5. Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if available in the employee's community, by employees who are convicted.

Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign this statement, I certify and state under oath that this firm complies fully with the above requirements.
