

RFP 17-031P Waste Management and Recycling Services

ADDENDUM No. 2

April 14, 2017

A. Clarifications

1. The below site locations listed on page 6 of the RFP document will no longer be a part of this RFP:
 - a. Park Street Terminal
 - b. Grand Central Station
 - c. Pinellas Park Transfer Center
2. Metal Recycling will no longer be a part of this RFP.
3. Fluorescent Bulbs (Light bulbs) will no longer be a part of this RFP.

B. Questions and Answers

1. **Question:** Do you have the Attachment 3 -Cost Proposal Form in a modifiable format that we can easily add our pricing into?

Response: See attached for Revised Attachment 3 – Cost Proposal Form. Along with this Addendum, PSTA will send Attachment 3- Revised Cost Form electronically so Proposers can easily fill out the form. Supplier shall not modify the form.

2. **Question:** I am comparing the Attachment pages from the bid you issued in February 2017 against the current bid. All of the Attachments requested are the same except in the current bid the DBE Participation Form and the DBE Good Faith Efforts attachments are missing.

When I review Page 22 – Page 23 - 5.8 DISADVANTAGED BUSINESS ENTERPRISES (DBE) this appears to be mandatory requirement for vendors to follow.

Will you be issuing an addendum with the DBE Participation Form and the DBE Good Faith Efforts?

Response: DBE participation is no longer a requirement for this RFP.

3. **Question:** Is the RFP just for solid waste and garbage collection? Please advise if PTSA is in need of electronics recycling as well. If so my company would like to submit a bid.

Response: On page six of the RFP document, the scope of services for the waste management portion indicates the following types of waste/recyclable: General Office, Paper, Cardboard, Glass, Aluminum/Plastic and Appliances. (Per the above clarifications, Metal and Fluorescent Bulbs have been removed from the RFP) Electronics recycling will be a future requirement.

4. **Question:** Can we make design changes to the compactor to make it easier to use and service?

Response: Yes

All other Proposal terms and conditions originally issued remain unchanged.

REMINDER: Please ensure you mark "Addendum No. 2" on Attachment "2" Acknowledgement of Addendum and remember to sign and return Acknowledgement Addendum form with your submittal package. Failure to do so may result in the disqualification of your proposal submittal.

The RFP is revised to the extent specifically amended by Addendum #2. Otherwise, all provisions of the RFP remain in effect.
