TRANSIT RIDERS ADVISORY COMMITTEE WORKSHOP MINUTES JUNE 13, 2017

Committee Chair Gloria Lepik-Corrigan called the June 13, 2017 TRAC Workshop to order at 4:00 PM. Members present: Gloria Lepik-Corrigan, Elisabeth Olden, Portia Smith and Dave Stanton. Also present was Maryanne Sobocinski, TRAC Coordinator.

TRAC INITIATIVE LETTERS

Safety - Committee Chair Lepik-Corrigan and Maryanne Sobocinski led a discussion on the importance of safety to current and future transit projects. Members contributed their ideas to incorporate into a letter that will be presented at the next TRAC Committee meeting on June 20th. The letter will address safety issues encountered by riders and pedestrians, including a list of danger zones. The goal is to create municipal awareness and commitment to transportation riders and pedestrian safety, identify ways to bring established public and private infrastructure up to current standards as far as safety is concerned, and create a directory/system for addressing "Danger Zones" identified by transit riders.

Committee Chair Lepik-Corrigan and Maryanne Sobocinski will compose the draft letter and send to all who attended the workshop for their input.

ADJOURNMENT

The meeting was adjourned at 5:15 PM.
