1. Introduction and Purpose of Solicitation	1
2. Basis for Award	1

1. Introduction and Purpose of Solicitation

Pinellas Suncoast Transit Authority (PSTA or the Authority) is an independent special district created by special act of the Legislature in 1984, merging the St. Petersburg Municipal Transit System and the Central Pinellas Transit Authority to provide Pinellas County with a cohesive public transit system. A fleet of 210 buses and 16 trolleys serve 38 fixed routes throughout Pinellas County.

Pinellas County is 280 square miles with approximately 954,569 residents (2010 Census). Pinellas County is located along the west coast of Florida and includes a corridor of smaller beach communities along the Gulf of Mexico. Pinellas County is the second smallest county in the state of Florida; however, it is the most densely populated county in the state and is nearly three times more densely populated than the next closest county.

The Authority serves most of the unincorporated area and 19 of the County's 24 municipalities. This accounts for 98% of the County's population and 97% of its land area. The cities of St. Pete Beach, Treasure Island, Kenneth City, Belleair Beach, and Belleair Shore are not members of the Authority; however, St. Pete Beach and Treasure Island do contract for trolley service.

During fiscal year 2016, PSTA's vehicles traveled a total of 9.1 million revenue miles, providing approximately 611,000 hours of service, and 12.4 million passenger trips.

2. Basis for Award

a) Single contract award will be made.

b) Detailed Description of Supplies/Services Not in Schedule.

Item descriptions in the Schedule are not intended as complete descriptions of the required supplies and/or services to be purchased under this solicitation. Complete descriptions are located in the Specifications, Exhibit H of this solicitation document.

c) Right to Reject Materially Unbalanced Offers.

The Authority reserves the right to reject offers that are materially unbalanced, i.e., that contain unreasonably high unit prices.

S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c)(1) of this provision. Therefore, bidders should request the postal clerk to place a legible hand cancellation bull's-eye "postmark" on both the receipt and the envelope or wrapper.

(b) In connection with any discount offered for prompt payment, time shall be computed from (1) the date of completion of performance of the services or delivery of the supplies to the carrier if acceptance is at a point of origin, or date of delivery at destination or port of embarkation if delivery and acceptance are at either of these points, or (2) the date the correct invoice or voucher is received in the office specified by the Authority, if the latter is later than the date of performance or delivery. For the purpose of computing the discount earned, payment shall be considered to have been made on the date of the Authority's check.

11. Disadvantaged Business Enterprise (DBE) Participation

(a) It is the policy of the Authority and the Department of Transportation (DOT) to ensure that Disadvantaged Business Enterprises (DBEs), as defined in Exhibit G of this solicitation and pursuant to 49 Code of Federal Regulations (CFR) Part 26, are provided a level playing field, thus fostering an equal opportunity for them to participate in the performance of contracts financed in whole or in part with Federal funds. In this regard, all bidders shall take all necessary and reasonable steps in accordance with 49 CFR Part 26 to ensure that DBEs have a level playing field and an opportunity to compete for and perform contracts. The Authority and all bidders shall not discriminate on the basis of race, color, national origin or sex in the award and performance of DOT-assisted contracts or subcontracts.

- (c) Remedy errors in the solicitation documents
- (d) Cancel the entire solicitation

(c) Except as otherwise provided in this contract, the term "subcontracts" includes purchase orders under this contract.

(d) In computing any period of time established under this contract, "days" means calendar days, and the day of the event from which the designated period of time begins to run shall not be included, but the last day shall be included unless it is a Saturday, Sunday, or Federal or State of Florida holiday, in which event the period shall run to the end of the next business day.

2. Changes

(a) The Contracting Officer may, at any time, by written order, make changes within the general scope of the contract in the services to be performed. If such changes cause an increase or decrease in the Contractor's cost of, or time required for, performance of any services under this contract, whether or not changed by any order, an equitable adjustment shall be made and the contract shall be modified in writing accordingly. Any claim of the Contractor for adjustment under this clause must be asserted in writing within 30 days from the date of receipt by the Contractor of the

notification of change unless the Contracting Officer grants a further period of time before the date of final payment under the contract.

(b) No services for which an additional cost or fee will be charged by the Contractor shall be furnished without the prior written authorization of the Contracting Officer.

3. Excusable Delays

(a) Except for defaults of subcontractors at any tier, the Contractor shall not be in default because of any failure to perform this contract under its terms if the failure arises from causes beyond the control and without the fault or negligence of the Contractor. Examples of these causes are (1) acts of God or of the public enemy, (2) acts of the Authority in either its sovereign or contractual capacity, (3) fires, (4) floods, (5) epidemics, (6) quarantine restrictions, (7) strikes, (8) freight embargoes, and (9) unusually severe weather. In each instance, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. "Default" includes failure to make progress in the work so as to endanger performance.

(b) If the failure to perform is caused by the failure of a subcontractor at any tier to perform or make progress, and if the cause of the failure was beyond the control of both the Contractor and subcontractor and without the fault or negligence of either, the Contractor shall not be deemed to be in default, unless -

(1) the subcontracted supplies or services were obtainable from other sources;

(2) the Contracting Officer ordered the Contractor in writing to purchase these supplies or services from the other source; and

(3) the Contractor failed to comply reasonably with this order.

(c) Upon request of the Contractor, the Contracting Officer shall ascertain the facts and extent of the failure. If the Contracting Officer determines that any failure to perform results from one or more of the causes above, the delivery schedule shall be revised, subject to the rights of the Authority under the Termination Clause of this contract.

4. Examination and Retention of Records

(a) The Contracting Officer and his representatives shall have the audit and inspection rights described in the applicable paragraphs (b) and (c), below.

Such right of examination shall include inspection at all reasonable times at the Contractor's plants, or such parts thereof, as may be engaged in or maintain records in connection with the performance of this contract.

(c) If the Contractor submitted certified cost or pricing data in connection with the pricing of this contract or if the Contractor's cost of performance is relevant to any change or modification to this contract, the Contracting Officer and his representatives shall have the right to examine all books, records, documents, and other data of the Contractor related to the negotiation, pricing, or performance of such contract, change, or modification for the purpose of evaluating the costs incurred and the accuracy, completeness, and currency of the cost or pricing data submitted. The right of examination shall extend to all documents necessary to permit adequate evaluation of the costs incurred and the cost or pricing data submitted, along with the computations and projections used therein.

(d) The materials described in (b) and (c), above, shall be made available at the office of the Contractor at all reasonable times for inspection, audit, or reproduction until the expiration of three (3) years from the date of final payment under this contract, except that:

1. if this contract is completely or partially terminated, the records relating to the work terminated shall be made available for a period of three (3) years from the date of any final settlement; and

2. records which relate to appeals under the Disputes Clause of this contract or litigation, or the settlement of claims arising out of the performance of this contract, shall be made available until such appeals, litigation, or claims have been resolved.

(d) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the public agency.

(e) Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the Contractor or keep and maintain public records required by the public agency to perform the service.
