Subject: Contract C-22-MT-002 #, Electric Transit Buses with Charging and Associated Equipment

Dear Mr. Fay,

This letter is a formal "Notice of Award" and "Notice to Proceed" with the contract work.

In an effort to make this contract a vehicle where other agencies can easily use, the contract and the solicitation file RFP 21-980369 will be posted on the PSTA and FPTA website. This will insure that agencies wishing to piggyback off this contract will have access to all the documents needed for them to utilize it.

If you take exception to your contract being posted, please provide me with a redacted version of your proposal by Tuesday November 9, 2021. If you do not take exception please send me written confirmation that it is ok to post.

Sincerely,

A handwritten signature in black ink, appearing to read "Al Burns", is written below the word "Sincerely,".

Al Burns,
Procurement Director
