

TO: Alvin Burns—Director of Procurement
FROM: Henry Lukasik – Director of Maintenance
DATE: November 30, 2021
SUBJECT: Review of Pricing Proposal—Proterra Inc.

A handwritten signature in blue ink, appearing to read "H. Lukasik", is positioned to the right of the "FROM:" line.

After an extensive review of the price proposal submitted by Proterra Inc., in response to RFP#21-980369—Florida Electric Transit Buses with Charging and Associated Equipment, I find the pricing for the base bus models, optional onboard vehicle equipment, and charging equipment to be fair and reasonable as it pertains to the technical specifications contained within the RFP.

If there are any questions, please do not hesitate to contact me.
